From the President: Judy's News

Hello Folks:

This year it sure has been hot for my dogs. Dog days of summer!

We all had fun at our annual meeting and we had a great turn-out. I would like to thank all of you who ran for the board. Be sure that we need all the help we can get. Thanks again! Congratulations to our new team on the board!

We had great food brought by Susan Wagner - real good eats. Thank you, Susan, for all your hard work. After the meeting, the dogs played games which were a lot of fun. Soon they were all trying it - what great fun!

The next great event will be October 7th on the Mississippi Belle paddle boat with our dogs. I can't wait - this should be fun and not so hot for our dogs. Remember to send in your reservation with check to Shirley, so we can guarantee the boat and date.

Keep cool and put the pool out for your dogs.

See you on the boat! Judy

FYI: Make sure when your dogs are outside, there's plenty of shade and water. Put out a kiddie play pool for them to cool off in. Temperatures in the 90's and 100's are killers, so bring your dogs in if you can during the hottest hours of the day.

Make sure you check your dogs frequently. Also check to make sure your anti-bug/tick (Toline, etc.) is up to date on your dogs. With this hot weather, those critters can wreak havoc with our dogs!

He is just my dog.....

"He is my other eyes that can see above the clouds; my other ears that hear above the winds. He is the part of me that can reach out into the sea. He has told me a thousand times over that I am his reason for being; by the way he rests against my leg; by the way he thumps his tail at my smallest smile; by the way he shows his hurt when I leave without taking him. (I think it makes him sick with worry when he is not along to care for me.) When I am wrong, he is delighted to forgive. When I am angry, he clowns to make me smile. When I am happy, he is joy unbounded. When I am a fool, he ignores it. When I succeed, he brags. Without him, I am only another man. With him, I am all-powerful. He is loyalty itself. He has taught me the meaning of devotion. With him, I know a secret comfort and a private peace. He has brought me understanding where before I was ignorant. His head on my knee can heal my human hurts. His presence by my side is protection against my fears of dark and unknown things. He has promised to wait for me... whenever... wherever - in case I need him. And I expect I will - as I always have. He is just my dog." [REDACTED] - Gene Hill
