

# **St Paul Winter Carnival Grand Day Parade**

**January 26<sup>th</sup> 2013**

**The Northstar Newfoundland Club has been accepted to participate in the St. Paul Winter Carnival Parade.**

**I don't know what unit we are as they are not figuring that out until the weekend before. That wouldn't give me much time to get this out to everyone. The 2013 King Boreas Grand Day Parade will travel Eastbound on 7th Street at Smith Avenue N. to 5th Street to Market Street and disperse on Kellogg. East 5<sup>th</sup> and Broadway. This is the same route as last year. There is a map of the parade route on the winter carnival web site. I'm going to suggest you look at it and figure out where you want to park. I parked in the Civic Center ramp and walked down to the beginning. This placed me about a block away at the end of the parade. Just a suggestion. Last year we gathered in a parking lot at the beginning of the parade. We will join when our position passes by. Call or e mail Ted if you have any questions. Line up time is 12:40 pm. The last time we were in the parade we were close to the end but who knows where this year. Sometimes it is hard to finding a place to park. The parade starts at 2:30 and ends when it ends. Go figure.**

**New this year we will try something new. Tailgating while waiting for the parade to start and while watching. Ted will bring some chili. Bring something to pass.**

**Contact Ted Mittelstadt at 507-451-7946 and I'll try to help you out or [tjm88@charter.net](mailto:tjm88@charter.net). The day of the parade 507-339-5720**
