

# *St Paul Winter Carnival*

## *Grand Day Parade*

**January 30<sup>th</sup> 2016**

**The Northstar Newfoundland Club has been accepted (they cashed the check) to participate in the St. Paul Winter Carnival Parade.**

**I don't know what unit we are at his time. I have been calling and they promised to let me know last week but no info yet. This doesn't give much time to get this information out to everyone so better some than none. The 2016 King Boreas Grand Day Parade will travel Eastbound on 7th Street at Smith Avenue N. to 5th Street to Market Street and disperse on Kellogg. East 5<sup>th</sup> and Broadway. This is the same route as last few years. There is a map of the parade route on the winter carnival web site. I'm going to suggest you look at it and figure out where you want to park. I parked in the Civic Center ramp and walked down to the beginning. This placed me about a block away at the end of the parade. Just a suggestion. We have been gathering in a parking lot at the beginning of the parade by the Salvation Army and Across from Bonfe's. We will join when our position passes by. Call or e mail Ted if you have any questions. Line up time is 12:40 pm. The last time we were in the parade we were close to the end but who knows where this year. Sometimes it is hard to finding a place to park. The parade starts at 2:00 and goes to 4:00 but ends when it ends. Go figure.**

**Contact Ted Mittelstadt at 507-451-7946 and I'll try to help you out or [tjm88@charter.net](mailto:tjm88@charter.net). The day of the parade 507-339-5720**
